No. 922-C/38-2.

Station M a d r a s, Dated the 15th July, 19 38.

From (Name) Diwan Bahadur Dr. B. Sundara Raj, M.A., Ph.D.,  
(Designation) Director of Fisheries.

To The Secretary to the Government of Madras,  
Development Department.

Sir,

In 1936 on account of the increase in strength and attendance of the Fisheries school at Sandspit (Mangalore) the original school building was found insufficient and an estimate for an extension was submitted by the Inspector of the section. This extension was sanctioned in G.O.No. Ms. 439 Development, dated 23rd February 1937. It is reported that before this sanction was received a contractor Rama Suvarna, who is a fisherman, represented to the Inspector that to relieve congestion in the school he would put up a temporary shed with the materials available with him and that it was enough if he was allowed to remove the materials after the permanent extension was sanctioned. The

(2)

Inspector of Fisheries permitted the contractor to put up the shed and it was used for holding classes.

2. The contractor now represents that he may be paid for the work which had cost him Rs.75/- and also for monsoon repairs to the shed at a cost of Rs.8/-. I asked the Assistant Director of Fisheries (Coast) to inform the contractor that the Inspector says that no payment is due to him as he (the contractor) offered to put up the shed free of charge and there is no objection to the contractor dismantling the shed and removing the materials at any time.

3. The contractor now denies the fact that he ever offered to erect the shed free of charge as he is too poor to make such a promise and that if dismantled the materials of the shed would not fetch 1/10 of the total cost. Though he is not entitled to any payment for the construction and repair of the shed I am of opinion that he should be paid something for the cost of the labour involved in putting up the shed and for the depreciation of the materials used. There seems no other way of disposing of his claim except by paying him some rent for the shed for the period it was occupied. It is reported that the shed was occupied from 25th July 1936 to 16th September 1937. The Assistant Director of Fisheries (Coast) suggests that a rent of Rs.3/- per mensem may be paid. I have the honour to request you to be so good as to obtain sanction of Government to pay this rent.

I have the honour to be,

Sir,

Your most obedient servant,

*B. R. Nalanda*  
for Director of Fisheries.
